

326 After School Club @ Codicote
Policy for: First Aid
September 2019

Under duties set out in the Health and Safety (First Aid) Regulations 1981, 326 Club recognizes its responsibilities in providing adequate and appropriate equipment, facilities and personnel to enable suitable first aid to be given at the club.

The Club has one designated member of staff responsible for first aid. This person has an up to date First Aid certificate. This member of staff is responsible for maintaining the correct contents of the First Aid box and administering basic first aid when necessary and appropriate.

The First Aid box is regularly checked to ensure its contents are up to date, in good condition and in line with the current school requirements.
