¹ 1 form of entry (f.e.) is 30 pupils per year group.

² It is anticipated that the school would manage the growth in pupil numbers across the school, increasing gradually to provide sufficient additional places, as necessary, to meet demand from the new housing, with up to 60 places being made available in all year groups in the long term.

³ The Published Admission Number (PAN) is the maximum number of pupils that can be admitted into each year group of the school, which in this case is 30 multiplied by the number of Year groups, which is 7.
