

Dear Children,
Good morning! Well, this is certainly the strangest end of term day we have had! When we are all back in school, we will celebrate Easter again, sing the Chocolate song and have hot cross buns and a talent show - whatever the month!

This week, we welcomed Mrs Wood back from Maternity leave, which was lovely. However, it does mean that we won't be seeing Miss Clark for a little while - we have all loved working with her and look forward to seeing her again soon.

I hope you have some nice activities planned for Easter, although I am sure you would rather be doing the work your teachers are setting you each day... I am going to do some decorating over the holidays and will be meeting the friends I usually see during the holidays via zoom, or skype. I also plan on spending time in my garden and am going to grow some seeds to plant in the vegetable patch when the weather is a bit warmer.

Happy Birthday to Isla (Year 5) today and to Robert U (Year 3) tomorrow!

This will be our last message before next term starts, so Happy Birthday to all of these children who will be celebrating over the Easter Holidays:

Alfie (Year 6), Ruby, Lucas (Year 4), Annie, Poppy C, Alex (Year 5), Elsa, Alexander (Year 3) and Jemima.

Who am I? Where am I?

Our thought for today is: Being apart teaches us how to be together.

Today's challenge: Because the Easter holidays are coming up, I thought we could have TWO challenges. The first one is very easy! Can you

put a bear in your window, so that when people go for a walk past your house, it will be like going on a bear hunt?

The second one is a bit harder - can you write or draw a thank you card for people who help others and post it? You could send one to Lister Hospital, your doctor's surgery, the police station, a fire station, the train station, bus depot, food delivery drivers, a local shop where you get your food or put one out for the people who collect your bins.

Song for today: The Chocolate Song - there is a mini sing along version here:

<https://www.youtube.com/watch?v=JPFx2z0ZXEc> - the miniature school here will be singing it today at 9.05 - open

the window and join it!

I hope the Easter Bunny brings you some Easter Eggs and that you enjoy some time off home school. We will be back again with our Good Morning Children round up on Tuesday 21st April, and hope to have you back in school with us soon!

Happy Holidays!

Love from Mrs Pollard xx

Read on for messages from your teachers ...

Good Morning Nursery!

It isn't long until Easter. Perhaps you could make an Easter bonnet, crown or hat? Here are a few ideas you could try.

Mrs Foster

Happy Friday Reception

I have been enjoying listening to some of the stories on the World book day website, my favourite is The Hueys in the new jumper. I thought you might like

to have a listen and then could you design a new jumper for one of your toys to wear. <https://www.worldbookday.com/videos/the-hueys-in-the-new-jumper/>
You could always draw a new jumper on a piece of paper and then ask a grown up to help fix it to one of your toys.

I wonder what kind of new jumper Bobby Bear might like? How about this one.....

Have a fabulous Easter holiday and remember to keep messaging each other on the google classroom.

We have 2 very big challenges for you over Easter.....

1. Can you draw a picture for every letter of the alphabet?

Eg: a= apple b= bear c=caravan etc..

2. Can you make a poster with the numbers 1 to 20 written on it. Then you have to find something in your house that matches the number. Eg..1=televsion 2=cushions etc

Have fun

Love Mrs Pyle and Mrs Williams x

Happy Friday Year 1,

The last day before Easter Holidays! We hope you have had a fantastic 2nd week of home learning and are ready for one more day before Easter. Have a look at PurpleMash for your work and check your books for another exciting task!

We would love to hear about what you all get up to over Easter, maybe you could write a little diary and then we can read them after Easter? It would be so lovely to hear about all of your adventures!

Before you go have a little Easter joke -

How does the Easter Bunny stay fit?

.....Eggs-ercise! Hahaaa

Have a fantastic day and an egg-citing Easter!

Love Miss Bass and Mr Massey

Good morning Year Two

It's me again!! How are you today?

I am really hoping that the weather starts to get a bit warmer!!

Did you enjoy designing your sewing egg?

I hope you all have fabulous Easter holidays! Don't eat too many Easter eggs.

I will keep in touch with you using Google classroom.

One last joke before you go!

What day does an egg hate the most?

Fry-days.

Keep safe! Keep smiling. See you soon.

Love Miss Grainger x

Good Morning Year 3

This is my last day for now. Some of you may see me in the Easter holidays and I promise that I will come and visit when things are back to normal.

I wanted to say to all of you how much I have loved teaching you. As Winnie the Pooh said "How lucky I am to have something that makes saying goodbye so hard." Thank you for all of your support, kind words and cards. I have worked at a lot of schools and trust me it's true what they say... Codicote School is the best school in the whole wide world!

I hope that you have enjoyed learning from home and that you continue to do the best you can. You are going to have a fantastic time learning with Mrs Wood. Have a fun-filled easter holiday and enjoy lots of cuddles and moments with your family.

We look forward to seeing you on our hangouts today (Miss Clark at 12:15 and Mrs Broad at 13:00).

And something to make you smile:

What do you call a fly without wings?

A walk!

Love Miss Clark and Mrs Broad

Happy Friday Year 4!

We have made it to the end of another week - where has the time gone?

I won't be setting any daily work for you to do over the Easter holidays - I know you need a break - but you do have lots of activities to continue with. I hope we will have some beautiful weather so we can all enjoy going out for our walks and playing in the garden. I shall be walking my dogs, doing lots of gardening and maybe even some decorating! Try to keep a diary of what you do each day and practise your times tables to keep up your speeds.

Have a lovely time and enjoy the chocolate!

I will be back with more news soon.

Lots of love,
Mrs Mesher xxxx

Dear Year 5

It's nearly Easter! I won't be setting any work for you during the holidays, so I hope you have a lovely relaxing Easter, and don't eat too much chocolate!

I will be thinking of you all, and will be in touch with you very soon.

Have a lovely break.

Mrs Gloyn

Good Morning Year 6,

Wow! Children the past two weeks seems to have flown by. I am seriously impressed with each and every one of you- you have stoically accepted the current situation and just got on with your work. I have enjoyed reading some of it on the Google Drive - it has been wonderful to see your cheerful faces every day and I will miss that for the next couple of weeks during the Easter holidays.

We still wait to hear from the Government about when we can go back to school but hopefully it will not be too much longer. Until then, we will use Google Classroom to set and review work. There will not be as much structure over the holidays but I have decided to give you some project work to compile over the next couple of weeks. I have fun sheet with a variety of activities to complete on 'The Vikings' - our history topic for this term.

Try to enjoy the holidays as much as you can and I will speak to you, either in person or over the internet when school restarts on Tuesday 21st April. Look out for new work appearing on the Classroom on that date.

Wishing you and your families a healthy and enjoyable Easter break. Stay safe.
Love Mr Browne

Hi All,

Hope you are well.

WINNERS OF INTERHOUSE CHALLENGE- ST.GILES!!!! Rewards for all the children who participated coming your way!!!!

It's nearly the Easter holidays, are you going to do an Easter egg hunt in your garden and house? I'm seeing a lot more of you when I come or go to school which makes my day, I cannot wait to see you all at one point. I've seen Elvis S go on a run with his mummy, Annie and Oliver B-L going for a family walk, Sofia, Marcus and Josh K going for a walk with mum and Evie and Flynn S going for a

family walk, and hearing that noisy Bobby and Max E-K from their windows, it really makes my day that extra bit better. We put letters on the fence outside school along the footpath, take a walk down there to have a look at them, you can even add your own, it looks beautiful!! I would love to see some more letters from all of you, how many can you do? We put nice messages like 'Enjoy your walk' 'Keep well and healthy' and 'See you soon' - nice little messages to put a smile on everyone's faces.

Keep up with the exercise over the holidays, keep yourself busy and creative at home. Enjoy your chocolate and keep being positive.

Keep healthy and fit.

Mel
