

Dear Children,

Good morning Everyone! I hope you enjoyed the long weekend and a rest from Home School! I am so pleased that you are looking forward to coming back to school too - thank you for the messages you are sending, and for sharing how you are getting on with the challenges. There are plenty more for this week - I hope you enjoy them.

Did you do anything to celebrate over the weekend? We enjoyed VE day in our front gardens with tea and scones. I spoke to my parents on the phone who remembered VE day really well - they also remember being very excited because there were lots of things they couldn't get to eat during the war, like bananas and chocolate, and they were keeping their fingers crossed that they would be able to get them again!

It was lovely to see lots of you coming up to school during the week to collect exercise and reading books. You have been doing so well with your learning that I had to print off lots more Headteacher Award postcards last Thursday - I am so proud of you! I think I will have to do them for the teachers, because they are working hard looking after the key worker children and organising work for everyone else too.

I have seen the plans the teachers have drawn up for you and know that you have a fun week of learning ahead - another week closer to coming back to school...

Our thought for today is: You can do things I can't, I can do things you can't and together we can do anything!

Song for today: Teamwork from the stage musical of Chitty, Chitty Bang Bang! Here is a link:

<https://www.youtube.com/watch?v=srqrQ4BmDvM> - unfortunately there is not a version with lyrics - but do

listen to the words!

Today's challenge: Can you make a team of paper people? You can decorate them to look like people in

your class, your friends or your favourite team. You could even make them look like the teachers!

It is quite tricky, but I am sure you can do it - here are some instructions:

<https://www.youtube.com/watch?v=pocc2DdmrF4>

I cannot wait to see you again!

Love from Mrs Pollard xx

Read on for messages from your teachers ...

Hello Nursery,

How was your VE day? Did you put your bunting out and manage to have a picnic? I hope you've been enjoying the sunshine. It was quite a hot weekend, wasn't it? Do you know anywhere else in the world that it is hot? Have you been to any hot countries? What did you do there? Maybe you could find some photos and talk to your family about where you went.

Has anyone been to Africa? What do you think it's like there? Is it hot? Lucas mentioned that he would like to learn about African animals. Do you know which animals live in Africa? Can you make a list of draw pictures of the ones you know. Do you know anything about the animals. Maybe you can post some facts on Google classroom for us all to learn.

I thought you might like to watch this video.

<https://www.youtube.com/watch?v=ISsD1GfChEM>

It's got lots of facts about different animals in it. It is quite long so you might want to watch it in chunks over the week.

You could write down any new facts you learn about the animals, drawing a picture of the animal to go with it.

Look at the patterns on a zebra. What are they like? Can you find anything around your house with the same pattern as a zebra?

You could have a go at making a zebra mask, like this one.

Use your cutting skills to cut the triangles, or you can draw them onto your mask instead.

Have fun - I look forward to finding out your facts,

Mrs Foster

Happy Monday morning Reception

I hope you had a fun long weekend. Did you celebrate VE day? I enjoyed having scones, jam and cream on my front garden and singing songs. Even though it wasn't the same as having a street party, it still felt very special. I have also been enjoying watching lots of Disney films! I have now watched Bolt, Iron Man and the Muppets adventure. My favourite Muppet is Beaker, he makes me laugh every time I see him on the television. I even have a little cuddly Beaker toy that Miss Grainger gave me for my birthday!

Your Monday challenge is a funny one..... Can you make yourself camouflaged? I am looking forward to seeing some funny pictures on the google classroom where I have to search hard to find you. Can you find me?

Love from Mrs Pyle x

Good Morning everyone.

Hope you all had a great weekend. On Friday my family had a sing along with my Mum and Dad in Leicester on a video call. We sang 'Keep the home fires burning, and 'We'll meet again' then shared a

virtual afternoon tea with delicious cakes decorated in red (jam), white (icing) and blue (smarties).

Hope you all had a great weekend.

Today's joke:

Why did the child cross the playground?

To get to the other slide.

Today's writing is to continue with our fantasy story about the dragon. You need to write about the dragon attacking the village you drew and how you escaped. I've started one for you if you want to use it.

'There was a terrible crash as the dragon hit the ground, crushing the village hall. It opened its terrifying jaws and

shot a bolt of white hot fire. I took a deep breath, stood up from behind the cart grabbed my baby sister and ran with all my might'
Have a go, make it frightening, and make it daring.

Maths. It's fitness time, as you count in 10s to 100, I want you to make up an exercise for each number. Get everyone involved. Watch Alice and me on Google Classroom doing ours.

In the afternoon for some fun, using some empty cardboard packets. Can you build a village? You don't need to decorate the boxes just stand them up. You can then be the dragon. Roar, crush the buildings, swipe them with your tail and breathe fire. Please get someone to film it and send it to me. smassey@codicoteprimary.com

As always keep safe, be kind to each other and enjoy each other's company.

Miss Bass and Mr Massey

Good Morning Children!

How was your weekend? Did you get up to anything fun? Celebrate VE day? I would like to hear all about it on the google stream!

I enjoyed a weekend in the garden.....planting and weeding and a lovely long walk on the heath!

I also had a BBQ and made some chocolate fudge brownies!

I am looking forward to our week learning about the life cycle of runner bean plants. I hope you are too!!

Here is the all important joke!!

What kind of beans can't grow in a garden?

Jelly beans!!

Thank you.....thank you very much!!!!

See you in a bit quick wit...

Love Miss Grainger x

Dear Year Three,

We hope you had a lovely weekend and enjoyed the extra day off. Did you watch any of the VE Day news

on the tv? We made a rhubarb and blackberry tart to celebrate. It looked a bit wonky but tasted very nice. We made sure to do our two minutes of silence at 11am - even baby Arthur was quiet! I have really been loving seeing all your learning and the photos and videos you have been sharing on the stream. I've noticed less people are coming to the hangouts recently. Mrs White joined us (my class) on Thursday and will join again next week so do try to get on. We miss you so much and seeing your lovely smiles makes it a bit easier. Remember that they are every Tuesday and Thursday.

Why don't you put a message on the stream to tell us how you celebrated or spent VE Day?

Hope to see you all soon,

Love Mrs Wood and Mrs Broad

Happy Monday Year 4,

Well, wasn't it great to have a 3 day weekend and be able to spend lots of time outside in the sunshine? I wonder what you were all doing. Hopefully you tell me about your weekend when we chat on our Google hangout today.

On my road, we were planning to have a big VE Day street party but instead we had a driveway party, all sang songs and chatted. The houses were decorated with bunting and flags and we had our own picnics and drinks. It was good fun to share time with other people and see them in real life rather than on a screen. I also did a fancy dress run for VE Day as my running club all ran 7.5km to celebrate the 75 years since peace was declared in Europe. I would have loved to run with them all but looking at the photos and sharing our experiences online was the next best thing.

I am looking forward to another great week of home learning with you.

Until tomorrow.....

Lots of love Mrs Mesher xxx

Dear Year 5

Did you celebrate VE day on Friday? It was so nice to see bunting everywhere in the village. On the street I live in we had a little street party - but we had to stay in our front gardens! I made scones to celebrate, and enjoyed eating them with my family. Whenever we have scones in our house, we always have a little argument. Does jam go on first, or cream? For me I always choose jam first, with a big dollop of cream on top. But Mr Gloyn likes cream first, then jam! I wonder which way you prefer. I know they are delicious, whichever way round you have them.

Today you are going to start your river presentation. You can choose any major river in the world to investigate. I can't wait to see your work.

Have a lovely day

Mrs Gloyn

Good morning Year 6

I hope you all had an enjoyable long weekend and celebrated VE day in style. We had a day off to celebrate the signing of the Treaty that ended the fighting in Europe. I heard some of you were holding a street party - Did your street hold a party?

I'm looking forward to another week of work with you. This week we are going to try something quite tricky - We will attempt to create our own websites! In this space, we will be able to give some information about our hobbies and interests and post some of our work we will be continuing with. We will hopefully learn how to post our Vlog videos too! I have created some step by step tutorial lessons so we should be able to achieve something really special with that.

Thankfully, it's...

Lesser known fact - Day 8 - National Technology Day

Today is National Technology Day celebrated to highlight the important role of Science in our daily lives and to encourage students to opt for science as an option for their careers. We might need some help this week!

See you all soon

Mr B x

Hi All,

Happy Monday!!!! Start the week off right with a workout, Joe Wicks, Cosmic Yoga, and Just Dance or there's plenty online if you want to try something different <https://sportinherts.org.uk/workoutfromhome/behappy/>. BIG SHOUT OUT to Myla T in Year5 who ran 5 miles to raise money for the NHS, WELL DONE MYLA!!!!

Did you have a nice long weekend? I did a lot of sitting in the sun and face timing family. Did you have a street party? My street is booooooring, we sadly did not, but I see some of you in the village did. Did you try the Lindy Hop dances?

My little sister challenged me to a 'Don't sing challenge' I didn't last very long, I couldn't help myself I needed to sing-a-long, I didn't even make it past round 1, try it at home. <https://www.youtube.com/watch?v=dcsb8jkgF9I>

I cannot wait to see you all again, it has been far too long!

See you soon

Love Mel ☺
