

Dear Children,  
 Good morning on day 4! We are all getting set up with Google Drive now, so we can 'hang out' together - I could well be dropping into your class conversations soon!

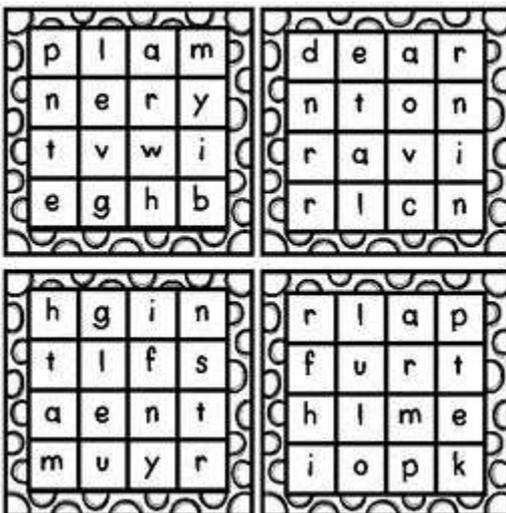

It is very quiet in school at the moment because lots of people have to work from home now - I might play football with Mel on the field if there is no one in the staffroom to talk to at breaktime! I am responsible for Barnaby at the moment - I need to get tips from Year 6 about getting his fluff off my clothes! I may start wearing a furry white suit to school ...  
 How did you get on with the picture yesterday? Here is another one for today:

Where am I? Who am I?

Our thought for today is: Wake up and be fabulous!

Today's challenge: This will 'Boggle' your mind! How many words can you make on each of these boggle boards? You can join the letters in any direction - forwards, sideways or diagonally - you just can't jump over them.

Song for today: Don't Stop Believing - there is a version with Lyrics on Youtube: [https://www.youtube.com/watch?v=2KGe\\_4leh\\_Y](https://www.youtube.com/watch?v=2KGe_4leh_Y)

I hope you are enjoying learning at home - don't get used to it because we want you back!!

Love from Mrs Pollard xx

Read on for messages from your teachers ...

Good morning Nursery,

I hope you're still enjoying the sunshine. I went on a bug hunt in my garden yesterday with my youngest daughter, Megan. She was excited because she found a ladybird. We looked around for more and saw some bees. There's also some frogspawn in the pond. Have you noticed any signs of spring? You could have a bug hunt in your garden or look out of the window to see if you can spot any flowers coming out. If you listen, you might hear lots of birds singing too.

Do you know that frogspawn is a type of egg? What does it hatch into?

Do you know what this baby animal grows into?

Love Mrs Foster

Happy Thursday Reception!

I have been looking at the books we made together in school today and I was wondering if you remember the Brown Bear Brown Bear story? Can you think of another animal that you could write a

rhyming story about or draw a picture?

My new story would be.....

Blue whale blue whale what do you see?

Have a great day

Love Mrs Pyle and Mrs Williams

Good Morning Year 1,

I hope you are all well and excited for the day ahead! It is definitely quiet without you all here but it is lovely to see messages from you on PurpleMash. I hope we all had fun decorating our name like a forest yesterday!

Today's work is Task 2 - Make a list of all the things you are good at! I'm sure your lists will be very long because you are all amazing! Don't forget to check PurpleMash for some fun work too!

Have a fantastic day

From Mr Massey and Miss Bass

Good morning to all of my fabulous children!

I hope you are all well and getting used to doing your learning at home. I am trying to get used to sending it home to you!

I hope your posters are up on the wall for everyone to look at!

Well that's me done for today!

Enjoy your work! Have fun!

Oh hang on..... I have forgotten something..... want to hear a joke?

How does a bee get to school?

On a bzz!

See you soooooooooooooon! See you later Ice Skater.....

Love Miss Grainger x

Good Morning Year 3,

Joke of the day:

Why is  $2 + 2 = 5$  like your left foot? It is not right!

We can see lots of you are working hard and keeping up with your learning.

This morning Mrs B and her girls did the daily PE work out lesson with Joe Wicks and Mrs Broad listened to David Walliams reading Grubby Gertrude live at 11 o'clock during her tea break. These can be found on google and the links are on the Year 3 stream. Have you all done the funky pigeon on Super movers? If you can get out in the sun in your garden to investigate to see if your shadow is always attached.

Sending lots of love and missing you all.

Mrs B and Miss C

Good Morning Year 4,

How are you getting on with learning at home? How are your grown-ups?

Let's keep up the chatting in the morning in our Hangout as it is so good to see you all and I am sure you are missing each other! You will have noticed that how I leave your work on the Google drive has changed slightly and I hope made things easier for you to find the links. Don't forget to leave me some feedback

- it will help me know how you are getting on with your learning. Photos of work or things you are doing are also a good way of keeping in touch.

Happy Thursday everyone.

Back tomorrow.

Love Mrs. Mesher xx

Good Morning Year 5,

I hope that you have managed to understand how the calendar in Google Drive works. I have had lessons from Mr Browne, and I'm still learning how to use it!

The weather has been really sunny at school this week. The daffodils outside the classroom are all in flower, and look lovely. Have you got any flowers coming out in your garden?

Have a great day.

Mrs Gloyn

Good morning Year 6,

It was lovely to see you all again this afternoon for our quiz - I hope you enjoyed it.

I know we had a few technical problems yesterday but hopefully we have sorted them now and everything will run smoothly. There are a couple of children I have not heard from, so tell them about the fun we are having. I will see you after PE tomorrow and I will hopefully sort out another fun activity for the afternoon. Missing you all.

Mr Browne x

Hi All,

I hope you are all keeping yourself well and healthy. Missing you all, it has felt like forever since I have seen you all. I Have loved being on the Year 6

Hangout, I will try and come on other years too so I can try see you all. I hope you are keeping up with your exercises - cannot wait to hear about it all.

Yesterday's challenge was sports related so do let me know how you got on.

mdoran@codicoteprimary.com

Keep fit and healthy,

Mel
