

Dear Children,

Good morning! Well - we have so much news to catch up with each other when we are all back at school - I think we will have to swap learning time and playtimes! Barnaby has settled very well into the Pollard household and is being kept company by Anna's hamster, Flora, as well as Binky and Benson the cats. Anna has not let the Year 6 pet monitors down, and has been busy brushing him every day - he is looking very smart!

We are really enjoying seeing all of your work and hearing about some of the things you have been finding out about. We also hear that you have been playing lots of games and watching films together. I am lucky because I see all the different teachers during the week, but the staff don't get to see each other every day, so just like some of you are doing, they are sharing things that make them laugh and fun websites via email and WhatsApp. We cannot wait until our whole school is together again to share all the funny and fun times we have had. How are you getting on with the challenges? Today's Who am I? is the hardest yet! I think it is tricky to spot people in the little pictures, so I will make a gallery on the events page, so that you can see the pictures more clearly!

Who am I? Where am I?

Our thought for today is: Let your light shine before you!

Today's challenge: Can you make a miniature scene for a book or film title in a shoebox using your toys or pictures cut out of a magazine? You could send me, or your friends a picture to see if I can guess the title. Can you guess the scene in my picture?

Song for today: Trip a little light fantastic - there is a link to a sing along version here:

https://www.youtube.com/watch?v=E7hNeF_feP8

Have fun!

Love from Mrs Pollard xx

Read on for messages from your teachers ...

Morning Nursery,

Did you manage to persuade your grown-ups to chicken dance with you yesterday? Did you know chickens can see in full colour, like us? Some animals can't, they see in black and white. Could you draw or paint a colourful picture for the chicks to look at? Maybe you could make a rainbow to put in your window (if you haven't already) for people to spot on their walk.

You could try finding things that are different colours and making a carpet rainbow, like we did in class. Perhaps you could use different colours of paper and make a collage, either by cutting or tearing little pieces.

Have another practice of chick, chick, chicken.

Mrs Foster

Happy Thursday Reception,

What a very busy week some of you are having! If you have not yet been on our Reception google classroom please come and join us, it is lovely to be able to see some of the fun you are having with your learning at home. We also have extra daily challenges on the google classroom linked to the topics we would have been teaching in class.

It is now almost Easter break time so are you ready?

Can you draw a picture and put in it....

4 rabbits, 12 Easter eggs, 3 trees, 7 lambs, and pictures of your family, 9 flowers and can you write the words... Easter picture

Have fun!

Love Mrs Pyle and Mrs Williams

Good Morning Year 1,

We look forward to seeing you on Hangout at 12:15pm today! (Miss Bass at 12:15pm and Mr Massey at 12:30pm). How have you enjoyed the last week and a half of home learning? What have you enjoyed about working at home? Miss Bass has enjoyed hearing all the birds in the garden and Mr Massey has enjoyed spending more time with his family.

Wait...before we go, would you like a joke?

What kind of music do Easter Bunnies like?

Hip Hop!

Have a lovely day

Mr Massey and Miss Bass

Good Morning Year Two!!!

How did you get on with your Easter cards?

Has anyone been able to think of a fruit or vegetable for every letter of the alphabet yet? I have been planting herbs in my garden. These are going to look brilliant!!!!

Just before you go.....

What do eggs do for fun at parties?

Sing kari-yolkie.

See you later..... escalator.....

Miss Grainger

Hello Year 3!

I hope you are well and that you are enjoying this time with your family. Thank you for making me laugh yesterday with all of your hilarious knock knock jokes that you wrote for literacy.

I hope you didn't get up to too much mischief on April Fools day. Unfortunately there was no one at home for me to prank. Mrs Broad told her daughter that there was a mouse in the house. Did any of you like her idea to put an April fools sticky note on someone's back?

Anyway, after all this silliness it is time for some more learning. Good luck, have fun and don't forget to message us if you have any questions.

Oh I nearly forgot....
Knock, knock!
Who's there?
Cows go.
Cows go who?
No silly, cows go moo!
Ta ta for now
Miss Clark and Mrs Broad

Dear Year 4,

How are you all today? Did you play any good pranks on anyone at home yesterday? I would love to hear about them if you did.

I wonder if you have joined the 'Rainbow Trail' by making a rainbow to display in your window? I have enjoyed seeing these appear in windows around my village and am sure that people are happy when they see them, as they pass by.

It will soon be Easter. I hope you are getting ready for the Easter bunny and finding time for some Easter crafts. Perhaps you could make an origami bunny or weave a basket out of sticks ready for your eggs?

Have lots of fun today.

Love Mrs. Mesher xx

Dear Year 5

As part of our work on space, I wanted to talk to you about the International Space Station, and see if you could spot it coming over us at night. Well tonight, you should be able to see it for 4 minutes at 8.48pm. This might be a little late for some of you to stay up. If so, you can also spot it tomorrow night at 8.03pm! Of course we have to hope for a clear night to see it. I'd love to know if you managed to spot it flying above us. I will keep an eye out for it too!

Have a lovely day

Mrs Gloyn

Hi Year 6

It seems like ages since we last talked. I loved the 'Wear your School Uniform at Home' Day! I know Seb has been doing this and I would like to see more of you doing it. I hope you're getting used to the routine of working from home- you've handed in some great work so far- I will include some answer sheets at times with worksheets so you and your parents can keep a track of how you are doing. I would like some photos of any extra craft work you have been doing.

Belle sent a copy of her window decoration which looks great - have any of you got similar things to share with the group?

I have kept the stream open for you to communicate with each other about the work set and have been really pleased to see you are all helping each other out with queries and tips. I will try to keep on top of messages but sometimes I may miss one or not notice it for a while so keep doing as you are doing. Looking forward to The 'Talent Show'!

Mr Browne

Hi All

Hope you are all well. When I left work on Tuesday I saw some of you out doing your daily exercise, I saw Max and Bobby E-K having a walk with mum, Annie B-L walking her dog and Myla T running with mum, seeing your big smiley faces and windmill waves made my day, if I see you I'll make sure to give you a big wave and smile back!!!

KEEP THE INTERHOUSE PHOTOS COMING YOU HAVE TILL 3pm TODAY- reminder, send a photo to my email of you doing your favourite sport, could be kicking a football, doing a handstand, if you cannot do your favourite sport because it is deep sea diving you can always draw a photo and send it to me. mdoran@codicoteprimary.com

TODAY would have been the dance festival day - Sporting Futures said they would love to see some of the videos, parents can check there Facebook page for more information, if you were in this dance you can send me a video of you doing your part and I will try and put the videos together for you.

Keep Fit and Healthy

Mel
