

Dear Children,

Good morning! It was lovely to see Year 6 on the Google Hangout yesterday! Everyone looking good! I will be adding pictures of the chicks onto the events pages on the website - they are adorable!

We have a new challenge starting today ...

Ta-dah! Can you spot and name the teacher in the picture? Answers on Monday!

Where am I? Who am I?

Our thought for today is: Be happy not because everything is good, but because you can see the good in everything.

Today's challenge: How many times can you bounce a ball in two minutes?

Song for today: Bare Necessities - there is a version with Lyrics on Youtube: <https://www.youtube.com/watch?v=RRP5NNKTVBY>

I cannot wait to see you again!

Love from Mrs Pollard xx

Good morning Nursery,

We had another chick hatch yesterday, which takes us up to 6 altogether. They are all living together peacefully. They are very noisy though and spend most of the day cheeping! What do you think chicks say to each other? Maybe you could come up with some phrases and sentences they might say? My cat thinks they are interesting and is spending lots of time sitting and watching what they do! Thank you for your emails with your chick pictures - the chicks are very impressed. I've also had some suggestions for names: Macaroni, Marmite, Tulip, Maisy and Squeak. Do you have any more to add to the list?

Morning Reception,
Good morning Reception, happy Wednesday everyone.
I hope you have been enjoying completing some of your activities.

I was tidying the classroom yesterday and I dropped a whole tub of marbles on the floor, they rolled everywhere and I really missed my 30 helpers who I know would have rushed to help me pick them up!

Enjoy your day today and your challenge is to see if you can make a shadow animal with your hands.

Happy Wednesday Year 1!

How are we all today? Miss Bass is feeling a little tired today from practising the La Bamba dance from yesterday and Mr Massey has ordered lots of new books to read when we are all back!

Today we would like you to complete one of the tasks in your books, the one for today will be Task 1 - Write your name in large letters and decorate it like a forest. We have also uploaded some more PurpleMash work for you to do as well J

Before you start your day here is a little joke -

Where do polar bears keep their money?

In a snow bank!

Love Miss Bass and Mr Massey

Good Morning Year Two!

I hope you are all good today! What was your favourite part of yesterday? Mine was picking some spring flowers from my garden they are in my kitchen now. I shall show you a picture soon.

Guess what?

Before you get going I have a joke for you.

What kind of elephants live at the North Pole?

Really cold ones.

I'll be back tomorrow children! Keep smiling! Later alligators!!

Love Miss Grainger x

Good Morning Year 3

Today's joke will have you rolling all over the floor laughing...

I went to buy some camouflage trousers.

I couldn't find any.

We hope you are getting on well with your learning and that it is making sense.

It is fantastic to see you working so hard. Keep it up in Year 3!

Love Mrs B and Miss C

Good Morning Year 4,

How are you this morning? It was wonderful to see some of you on 'Google Hangout' yesterday morning and have a chat together. Seeing some cheeky, smiling faces really cheered me up and made a great start to my day. Hopefully, more of you will join me this morning, after you have had a fun work out with Joe Wicks!! Thank you for completing Tuesday's work- I am getting to grips with a new way of setting work for you, so we are all learning something new!! Please use the Google Calendar as a timetable so you know what work has been set. This can be accessed through the classwork tab in our 'Year 4 Classroom'. Clicking on the activity will open up all the links you need for that piece of work. Just send me a message if you get stuck!

Happy birthday Zach for Sunday and Lyla for yesterday. I hope you enjoyed your special days. Look forward to talking with you later.

Love Mrs. Mesher xx

Good Morning Year 5

How are you finding working from home? Is it different to working in class? You may have noticed I have set up Google Drive slightly differently for today. If you click on the Google Calendar (accessed through the classwork tab), you can see your timetable for the day. You then simply click on each activity to see what you need to do. You don't need to do the work in order, or at the time it tells you to, but you do need to 'hand it in' when it is finished. If you're not sure what to do, just send me a message.

I'm also hoping to set up a hangout very soon, so we can all see each other and have a chat - more details to follow!

Have a lovely day.

Mrs Gloyn

Good Morning Year 6,

Well - what can I say? Some technical issues today, but I am on the case and hope to get it sorted for the morning! Really looking forward to catching up with you all soon! Well done for working so hard on the activities I have set so far - you are amazing children!

Well done. Keep safe.

Good Morning from Mel,

Hi all, I hope you are starting to miss us, as much as we are missing you!! Does not feel the same without you all in school, cannot wait to see you all soon (fingers crossed). I really enjoyed seeing the Year 6's on Google Hangout, it was great to see all your smiley faces after completing the Joe Wicks Workout. Keep up the exercise and follow the rules. I would love to see all your exercise snaps, send them to your teachers if you can.
