

Dear Children,

This morning's exciting news is that the Nursery eggs have started to hatch, and we now have chickens! It was just like when we sang 'Spring Chicken' on Friday! We will show you some pictures of them soon.

Our thought for today is: Sometimes you just have to dream, trust, believe and love.

Today's challenge: Try to draw a flower, or bunch of flowers. If you don't have any in your house or garden, you could use a photo. Top tips: choose one place to start - for example, with the middle, or a petal and look at your flower lots and lots of times to help you with the shapes and sizes of each section.

Song for today: Sing along with Reach for the Stars - there is a version with Lyrics on Youtube:

*Good morning Nursery,*

*I hope you enjoyed the sunshine this weekend. I was out in my garden doing some tidying and planting and pulling up some of the weeds. There are lots of daffodils and tulips growing in my garden at the moment. Do you have any flowers growing at your house? I hope you had a lovely weekend with your mummy and that she liked your card. Mrs Pollard will be sending you a letter by email telling you all about our chicks!*

*Love Mrs Foster*

*Good Morning Reception,*

*I hope you and your Mummies enjoyed their Mother's Day and that they liked your flower drawings.*

*I'm looking forward to hearing when some of your magic beans might start to grow. Remember to keep watering them a little bit.*

*The sun is shining and Barnaby Rabbit will not come out of his hutch! I have had to move his food outside to try and get him to come out into the sunshine.*

I have loved seeing some houses with rainbows in the window, maybe you could draw a rainbow this week?

Have a great day!

Good Morning from Mel,

Hi all, I already missed seeing all your smiley faces this morning!! Each day I am going to suggest 3 Just Dance songs to try on YouTube and get your family to take part too. Reception and Nursery have been dancing to Nursery Rhymes in PE lessons, put some music or rhymes on at home to get them moving as much as you can, they really enjoy it. Give the daily Joe Wicks workout (YouTube channel) a try to ensure you are getting your 60 minutes of exercise in daily. Also, the workout I sent home with you, give that a go and each day try and beat your score, keep a record of your results and when we all can come back to school (hopefully not too long) you can bring them in to show me!!!

Keep healthy and fit, and see you all again soon J
