Newsletter 1

September 8th 2023

Dear Parents and Carers,

Welcome back! A warm welcome to our new children and their families too. It is so lovely to see everyone back at school after the holidays; the children have made a fantastic start to the new school year and I think everyone is enjoying the benefits of the new building too. So far, the air conditioning, toilets and chameleon cladding seem to be the biggest hits with both staff and children. Although we were working right up to the last minute to get everything ready for the start of term, it has certainly been worth it. Mr Martin also managed to turn the outside space from a bomb site into a welcoming area for everyone in a record amount of time – I still have no idea how he managed it!

Eagle eyes will have noticed that there are STILL some things which need to be completed, which will be done at weekends to avoid any disruption for the children. Meanwhile, we are all enjoying the simple pleasures of no building noise or dust and being able to park in the car park, and stay parked in the same place for a whole day!

There are lots of things planned for the school year ahead and we are all looking forward to another year filled with learning and fun! This is quite a packed newsletter, so you may wish to make a cup of tea, or get a cool drink before you read on!

Thank you

I am extremely grateful to Mr Martin, Mr Browne and Mr Massey and the staff team for working so hard to get the furniture and resources into the new building, alongside all of the other events happening in school. Due to the mobile and re-purposing other rooms, they have become extremely skilled in the art of furniture removal over the past 7 years, but I have now retired them from this role.

Concrete

I am pleased to confirm that our school is not affected by the RAAC concrete problem. The school was surveyed by Hertfordshire County Council two years ago and the construction method used did not use any of this material.

Staff

The children's teachers and I are always pleased to speak to you regarding any issues or concerns which we can help you with. In addition, there are other members of staff who will be able to answer a range of queries. All of these people can be contacted via the School Office.

Year 6 Leavers

We enjoyed a fantastic evening in the company of the Year 6 leavers and their families, celebrating their time with us. As a gift to the school, they very generously presented us with some gifts for the school grounds. These included beautiful fruit trees, which will be planted in the Forest Schools area, and some wonderful resources for the sensory garden we will be developing this year. We wish all of our children every happiness and success at their new schools.

PTFA

This year's AGM for the Parent & Friends Association (PTFA) is on Wednesday 13th September at 7pm. The PTFA is a group of parents, friends and teachers that run events to bring the school community together so they have fun and raise funds for equipment and resources which enhance the children's learning and play. Anyone can join the PTFA, either as part of the broader network or as a committee member. At the end of term, we lost a large chunk of our committee, as they were Year 6 parents, so we really need new recruits! Please come along to the meeting which will be held in the staffroom.

Philip

As many of you will be aware, Philip, our vicar, will be retiring and leaving Codicote, to relocate to Derbyshire. There will be a service to celebrate his time at St. Giles on Sunday 10th September from 6.30pm. in the church. It has been a pleasure to have Philip as part of our school, and we value and appreciate his contributions. When he first arrived in the village, he took time to come into school to work with different classes in order to get to know the children. He has led school assemblies and church services, and always welcomed us at St.Giles – whether to worship, or as part of the children’s learning in the curriculum. Philip has also been a dedicated and interested member of the Governing Body, showing great commitment to the role.

We have also benefited from Liz’s help too; after moving into the village, Liz volunteered at the school, hearing readers and supporting children’s learning. We wish Philip and Liz a long and happy retirement.

School Term and Holiday Dates.

Dates & details!

The dates for the term, and academic year are included at the end of the newsletter. There are a few events where I thought you would appreciate further information, as soon as possible - these are as follows:

Harvest Festival Service

We will meet at St. Giles Church, at 9.00 a.m. on Wednesday 27th September for the Harvest Service. Nursery and Reception will be holding their own service in school. Registers will be kept open until 9.30, to help parents who need to drop children in two places.

We support home based and overseas charities on alternate years, and this year will be joining the Bishop's Harvest Appeal, *Cracking Food Poverty Together*. This project supports families in Uganda by providing them with chickens. These give them a sustainable and low cost food source, and also provides a new income stream because they can sell some of their eggs and new chicks that hatch. Their first hatchlings are returned to the project so that another family can benefit. Depending on how much money is raised, some funds might also support other food poverty projects, like planting orchards for schools to supplement the diets of their pupils.

We will be sending home plain envelopes which can be decorated on an egg/chicken theme, with messages added. If you are able to spare some coins to go in the envelopes, that would be appreciated. All envelopes will be brought up to alter during the Harvest service.

Evening Carol Service with Year 2, 6 & Choir

At the Carol Service, on 18th December at 6.30pm, Year 2 will be performing their Nativity Play and their parents and carers are warmly invited to join us.

Choir members from Year 6 will be singing carols, and there will be readings from Year 6 children too. Children from Year 6 who do not wish to do readings/are not in Choir, will not need to attend.

Secondary School Visits

The online application system for Secondary School places for September 2024 has now opened. Secondary Schools will be holding their open evenings over the next few weeks. Breakfast Club

Breakfast Club has got off to a great start, running from 7.50 to 8.50 each morning, at a cost of £4.00 per session – breakfast included. Children are taken from Breakfast Club to their classrooms. Please contact the school office if you would like to book a place for your child. Thank you to Emma, Paula and Beth for their work in setting this up.

Snacks & Nuts

As a Healthy School, our policy on snacks is that children in Years 3 – 6 may bring in a fruit/vegetable snack – e.g. carrot sticks, rice cakes, plain oatcakes or breadsticks snack for morning breaktime. As we have children in school with nut allergies, we ask that you do not provide nuts as a snack. If your child has a particular dietary need, which requires them to have an alternative snack, we are happy to discuss this with you. Thank you for your support.

Allergies, Asthma, Medical Conditions and Epi-pens

We are currently updating our information sheets for children with any condition which might require additional care or support. If this applies to your child, please could you return the form at the bottom of the newsletter, so that we can make sure that the information is shared with all relevant staff, and any necessary arrangements are put into place.

Please remember that I am always happy to discuss any issues with you. Thank you for reading this very long newsletter.

Yours sincerely,

Liz Pollard
